When successfully authenticated, the info screen will be displayed. You can view company information, ask questions, view relevant documents and watch the webcast.

If you would like to watch the webcast on smaller devices select the broadcast icon at the bottom of the screen in the broadcast band.

If viewing on a computer, the webcast will appear at the side automatically once the meeting has started.

Once the voting has opened, the polling icon will appear on the navigation bar at the top of the screen. From here, the resolutions or motions and voting choices will be displayed.

To vote, simply select your voting direction from the options shown on screen. A confirmation message will appear to show your vote has been received.

If you wish to change your mind, simply select an alternate choice while the voting is open or select cancel if you wish to cancel your vote.

Once opened, voting can be performed at anytime during the meeting until the Chairman closes the voting on the resolutions. At that point your last choice will be submitted.

You will still be able to send messages and view the webcast whilst voting is open.
